Study at a world Top 100 university in Perth

Apply for one of our scholarships for Argentinian students

The University of Western Australia (UWA) and BEC.AR, part of the Ministry of Education in Argentina, are now offering full, two-year scholarships for any master's course at UWA related to science and technology.

UWA is an internationally recognised university which ranks 91st in the world (ARWU, 2017) and is a member of the Group of Eight – a coalition of the best research-intensive universities in Australia.

Located in Perth, Australia's sunniest and most affordable capital city, UWA is well-known for its beautiful campus, dynamic learning environment and vibrant student life.

Application period

The BEC.AR scholarship round for UWA programs usually opens in October of the previous year and closes in February of the following year. Successful students will then commence at UWA in July (Semester 2).
